

LAW, TECHNO-OPTIMISM AND FUTURE

Why and How to Build an AI Equality Machine

Prof. Orly Lobel, University Professor & Warren Distinguished Professor of Law Director, Center for Employment & Labor Policy (CELP), University of San Diego, will explore and compare trends concerning technology and law. Prof. Lobel's vivid examples, from labor markets to dating markets, will provide powerful evidence for how we can harness technology for good and why we can direct its course according to our legal principles and values. Professor Lobel's new book was named to The Economist's best books of 2022 list (*"The Equality Machine: Harnessing Digital Technology for a Brighter, More Inclusive Future"*, 2022).

The digital talk is scheduled for January 30, 2023, at 4:30 p.m. (Italian Time) and is sponsored by the Università Cattolica del Sacro Cuore - Master of Science in Innovation and Technology Management – Faculty of Economics and the Consiglio Nazionale dell'Economia e del Lavoro (CNEL).
