

AREA AZIENDALE

Requisiti per il reclutamento (in vigore dall'1/1/2016)

Per una corretta interpretazione dei requisiti si forniscono le seguenti precisazioni:

- Per riviste nazionali e internazionali si intendono rispettivamente quelle accreditate da AIDEA e quelle inserite nel *Journal Rating* AIDEA, di cui agli elenchi allegati.
- Data la variabilità nel tempo degli elenchi delle riviste, per la determinazione della fascia di appartenenza (per le riviste internazionali) e per la verifica del requisito di accreditamento (per le riviste nazionali) si fa riferimento alla classificazione più favorevole tra (i) quella vigente all'atto della delibera del Consiglio di Facoltà che avvia la procedura di reclutamento e (ii) quella immediatamente precedente.
- Per monografie scientifiche si intendono i volumi a firma unica. I volumi a firma multipla valgono come curatele o capitoli in volumi collettanei.
- Per quanto riguarda i volumi (monografie scientifiche e volumi collettanei) pubblicati da editore italiano, si considerano solo gli editori "di consolidata reputazione", indicati nell'allegato 3.
- Per quanto riguarda i volumi (monografie scientifiche e volumi collettanei) pubblicati da editore internazionale, analogamente, si considerano solo gli editori "di consolidata reputazione", indicati nell'allegato 4. Si precisa, in ogni caso, che si considerano "internazionali" solo i volumi (monografie scientifiche e volumi collettanei) in lingua inglese e pubblicati all'estero.
- Per ogni volume collettaneo (nazionale o internazionale) può essere preso in considerazione un solo capitolo, oppure l'eventuale curatela.
- Non si prendono in considerazione (né come capitolo, né come curatela) volumi collettanei che raccolgano atti di convegni.
- Per gli articoli su riviste nazionali e internazionali afferenti a discipline adiacenti all'economia aziendale (economia, diritto, storia economica, metodi quantitativi, ecc.) e, per questo motivo, non prese in considerazione da AIDEA, si fa riferimento agli elenchi contenuti nei "requisiti per il reclutamento" formulati dalle altre aree delle Facoltà di Economia e di Scienze bancarie, finanziarie e assicurative o, in assenza, alle liste Anvur. Nell'ambito del giudizio di merito sui candidati, resta naturalmente impregiudicata la possibilità di utilizzare il criterio della "coerenza con le tematiche del settore scientifico-disciplinare".
- Per la verifica di sussistenza dei requisiti si prendono in considerazione tutte le pubblicazioni della vita di uno studioso, con i vincoli temporali precisati dal documento generale di Facoltà sulle "regole per il reclutamento".

I) PER LA ATTRIBUZIONE DI ASSEGNI DI RICERCA

- Titolo di Ph.D./Dottorato di Ricerca; oppure, alla data della pubblicazione del bando, avere già completato la frequenza di almeno tre anni di un corso di Ph.D./Dottorato di Ricerca ed inoltre essere all'ultimo anno di svolgimento del percorso dottorale. In questo caso, è richiesta una lettera del *supervisor* del dottorato, che indichi la data attesa di conseguimento del titolo di Dottorato di ricerca.
- Un working paper accettato a un convegno internazionale.

II) PER LA CHIAMATA NELLA POSIZIONE DI RICERCATORE A TEMPO DETERMINATO O INDETERMINATO, DI PROFESSORE DI II FASCIA (ASSOCIATO) E DI PROFESSORE DI I FASCIA (ORDINARIO)

I requisiti minimi per la chiamata nella posizione di ricercatore a tempo determinato o indeterminato, di professore di II fascia (associato) e di professore di I fascia (ordinario) sono così articolati:

A) Un requisito di produzione scientifica "pesata" **complessiva**, determinata sulla base dei pesi contenuti nella Tabella 2.

B) Alcuni requisiti di **composizione** della produzione scientifica, tra cui in particolare:

- B1) Articoli su rivista internazionale.
- B2) Monografie.
- B3) Lavori a firma unica.

I requisiti sono sintetizzati nella tabella 1.

Tabella 1. Requisiti per il reclutamento

	RICERCATORE A TEMPO DET (*) O INDET	ASSOCIATO	ORDINARIO	Note
A) PRODUZIONE SCIENTIFICA COMPLESSIVA PESATA	6	15	25	- Basata sul sistema di pesi di Tabella 2 - Limite a capitoli di libro e a curatele (nazionali e internazionali) --- Complessivamente non più di 1 per R, non più di 2 per A e O --- Per ogni volume collettaneo (nazionale o internazionale) può essere preso in considerazione un solo capitolo, oppure l'eventuale curatela --- Non si prendono in considerazione (né come capitolo, né come curatela) volumi collettanei che raccolgono gli atti di un convegno. - Vincolo di continuità della produzione scientifica: come da documento generale di Facoltà sulle "regole per il reclutamento" - I volumi (monografie e volumi collettanei) nazionali e internazionali devono essere pubblicati da editore di consolidata reputazione. Possono considerarsi internazionali solo monografie in lingua inglese pubblicate all'estero
di cui:				
B1) ARTICOLI INTERNAZIONALI	2C	2B + 2C	1A + 3B + 2C	"A", "B" e "C" significano rispettivamente "di fascia A", "almeno di fascia B" e "almeno di fascia C". Il ranking di riferimento è il Journal Rating AIDEA. Al riguardo, si fa riferimento alla classificazione più favorevole tra (i) quella vigente all'atto della delibera del Consiglio di Facoltà che avvia la procedura di reclutamento e (ii) quella immediatamente precedente.
B2) MONOGRAFIE			1	La monografia: - è intesa "a firma unica" - deve essere stata pubblicata dopo la presa di servizio come professore associato
B3) PRODUZIONE SCIENTIFICA PESATA A FIRMA UNICA	1	4	7	- Basata sul sistema di pesi di Tabella 2

(*) Per i ricercatori a tempo determinato, laddove, al momento dell'avvio della procedura di reclutamento, siano trascorsi meno di due anni dal conseguimento del PhD / dottorato di ricerca, tutti i requisiti in tabella *possono* essere sostituiti da un articolo internazionale a firma unica, di fascia A, anche in versione "revise & resubmit"

Si noti che, in considerazione delle caratteristiche tradizionalmente assunte dagli studi di area aziendale, come brevemente descritte in premessa, ai componenti della CEV si applica unicamente il requisito di produzione scientifica pesata complessiva.

Tabella 2. Sistema di pesi

Articolo internazionale A	5
Articolo internazionale B	3
Articolo internazionale C	2
Articolo internazionale D	1
Monografia (firma unica) internazionale	3
Monografia (firma unica) nazionale con editore di consolidata reputazione	2
Curatela internazionale	2
Curatela nazionale con editore di consolidata reputazione	1
Capitolo di libro internazionale	2
Capitolo di libro nazionale con editore di consolidata reputazione	1
Articolo nazionale rivista accreditata AIDEA (*)	1

() In prospettiva, il punteggio di alcune riviste nazionali potrà essere elevato a 2 in funzione della programmata pubblicazione di un ranking AIDEA delle riviste nazionali accreditate.*

ALLEGATO 1: ELENCO RIVISTE ACCREDITATE AIDEA

RIVISTA	LIMITATAMENTE ALLE SEZIONI
Azienda pubblica	
Banca impresa società	Saggi
Bancaria	Forum
Communicative business	
Contabilità e cultura aziendale	Studi; Profili; Contributi internazionali; Ritratti di autore (esclusi contributi indicati come "ad invito")
Economia aziendale online	Refereed papers
Economia dei servizi. Mercati, Istituzioni, Management	
Economia e diritto del terziario	Saggi e studi; Attualità e discussioni
Economia e politica industriale	Fino al 2009: Analisi e teoria Dal 2010: tutta la rivista esclusa la sezione Osservatorio
Economia & management	Articoli
Financial reporting	
Finanza marketing e produzione	Rivista non più attiva. Gli articoli qui pubblicati restano però validi ai fini del soddisfacimento dei requisiti per il reclutamento
Il capitale culturale. Studies on the value of cultural heritage	Saggi
Impresa progetto - Electronic journal of management	Saggi
L'industria	
Management control	
Management delle utilities e delle infrastrutture	Academy
Mecosan	
Mercati e competitività	Sezioni tematiche; Saggi

NB: vista la relativa minore conoscenza del mercato editoriale internazionale e l'impossibilità di predisporre una lista completa, qualora una monografia sia edita da un editore internazionale non inserito nella lista, la commissione che ha predisposto i requisiti dell'area aziendale analizzerà il testo e formulerà una opinione di accettazione o non accettazione.
